Pediatric Heart Transplant Society

Endorsement and Joint Statement Process:

I. BACKGROUND

The Pediatric Heart Transplant Study (**PHTS**) Group fully supports….

II. Endorsement/Joint Statement Request

All requests for endorsement are initiated by sending the documents electronically (via e-mail) to PHTS to claire.covington@kirso.net

III. Review of Request

The PHTS Steering Committee will review the request and prior to making a final decision regarding the approval status of the request (yes or no) we may ask the Scientific Committee to review depending on the content of the request and if there is another level of expertise input needed.
