Dear Linda ,

We are looking forward to seeing you for the upcoming Pediatric Heart and Lung Transplant Study Group Fall meeting which will occur during the American Heart Association Scientific Sessions in Atlanta.. Our meeting will be on **Monday evening, November 8, 1993 from 6 - 9 pm in the Georgia West Room of the Renaissance Hotel** (located at 590 West Peachtree Street).

As you may recall we will be reviewing initial data from the database and then focusing on a discussion of " The Management of Resistant Cardiac Allograft Rejection," including talks about Methotrexate, TLI, FK506, and anti-lymphocytic agents. Finally we will conclude with the announcement of the new executive committee and decide about the technicalities in the management of our group. I have enclosed the minutes from the meeting in Boca Raton for your review, and an RSVP for the upcoming meeting which you may FAX or send to me by no later than October 28. In addition, I have enclosed a separate sheet for you to nominate 5 or 6 people you would like to lead our group. Please send me these names whether or not you plan to come to the upcoming meeting.

I hope you can attend. As always, I am anxious to see and speak with each of you and enjoy these meetings as a interesting sharing of experiences. With warmest personal regards,

Sincerely,

Linda J. Addonizio, M.D.

Dear Richard,

We are looking forward to seeing you for the upcoming Pediatric Heart and Lung Transplant Study Group Fall meeting which will occur during the American Heart Association Scientific Sessions in Atlanta.. Our meeting will be on **Monday evening, November 8, 1993 from 6 - 9 pm in the Georgia West Room of the Renaissance Hotel** (located at 590 West Peachtree Street).

As you may recall we will be reviewing initial data from the database and then focusing on a discussion of " The Management of Resistant Cardiac Allograft Rejection," including talks about Methotrexate, TLI, FK506, and anti-lymphocytic agents. Finally we will conclude with the announcement of the new executive committee and decide about the technicalities in the management of our group. I have enclosed the minutes from the meeting in Boca Raton for your review, and an RSVP for the upcoming meeting which you may FAX or send to me by no later than October 28. In addition, I have enclosed a separate sheet for you to nominate 5 or 6 people you would like to lead our group. Please send me these names whether or not you plan to come to the upcoming meeting.

I hope you can attend. As always, I am anxious to see and speak with each of you and enjoy these meetings as a interesting sharing of experiences. With warmest personal regards,

Sincerely,

Linda J. Addonizio, M.D.

As you may recall we will be reviewing initial data from the database and then focusing on a discussion of "The Management of Resistant Cardiac Allograft Rejection," including talks about Methotrexate, TLI, FK506, and anti-lymphocytic agents. Finally we will conclude with the announcement of the new executive committee and decide about the technicalities in the management of our group. I have enclosed the minutes from the meeting in Boca Raton for your review, and an RSVP for the upcoming meeting which you may FAX or send to me by no later than October 28. In addition, I have enclosed a separate sheet for you to nominate 5 or 6 people you would like to lead our group. Please send me these names whether or not you plan to come to the upcoming meeting.

I hope you can attend. As always, I am anxious to see and speak with each of you and enjoy these meetings as a interesting sharing of experiences. With warmest personal regards,

Sincerely,

Linda J. Addonizio, M.D.
